Polarsign is an affordable & functional system, ideal for sign makers needing to laminate and mount up to 1600mm wide.

Design & Performance

The Polarsign® has been designed to be functional, affordable and to provide sign makers with a cost effective finishing solution.

Featuring variable speed control and large diameter rollers, the Polarsign is a low maintenance system.

Features

- Solid heavy duty construction
- Release liner take-up
- Adjustable rollers up to 20mm
- Large rollers for even pressure
- Handy reverse mechanism
- Foot pedal for controlled operation
